

# COVID - 19 Ofsted Catch Up Strategy

2020 - 2021

1. Summary information			
School	Croftway Primary Academy	Total Catch Up budget	£29,040

2. Autumn 2020 Baseline Assessment - % of pupils at Age Related Expectations ( data to be added week of 28th September)			
	Reading	Mathematics	SPAG
Year 2	39%	43%	61%
Year 3	39%	28%	32%
Year 4	84%	62%	54%
Year 5	69%	60%	57%
Year 6	61%	53%	54%

3. Barriers to future attainment- The majority of pupils have not accessed school for over 5 months meaning that barriers to future attainment are significant. These include:	
A.	Basic skills in reading, writing, SPAG and mathematics may be significantly below age related expectations.
B.	Key elements of the curriculum in foundation stage subjects as well as science and RE have been missed.
C.	Widening gaps between pupils who have not been supported at home with learning and those who have.
D.	Pupils' mental health may have been significantly affected during due to the pandemic for a number of reasons such as bereavement, lack of socialisation, lack of routine.
E.	Pupils' behaviour and ability to comply with school routines may have been adversely affected.
F.	Pupils' physical health may have been significantly affected during the pandemic due to lack of exercise and unhealthy food.
G	Parents / carers may not send their children to school due to concerns over whether they will be exposed to COVID – 19.

4. Desired outcomes		
	Desired outcomes	Measure
A.	Pupils catch up basic skills in reading, writing, SPAG and mathematics to what they were prior to the COVID-19 outbreak.	Summer 2021 assessments compared with summer 2019 assessments.
B.	Core knowledge is prioritised for teaching in foundation stage subjects / RE and science.	Plans detail core knowledge that is being prioritised.
C.	Pupils who are furthest behind their normal ability are prioritised for catch up.	Catch up evident from autumn baseline 2020 assessment compared to summer 2021 assessment.
D.	Pupils whose mental health has been affected during the pandemic are prioritised for support.	Boxhall profiles used to measure impact of support.
E.	Pupils quickly settle into school routines and adhere to the school behaviour policy.	Observation of behaviour in school. Measure of incidents of disruptive behaviour.
F.	Pupils physical health improves.	Observations of pupil's ability to complete physical activity

<b>G.</b>	Level of attendance improves to pre-COVID levels.	Comparison of weekly and overall attendance with 2019 / 2018 levels.
<b>H.</b>	Level of parental engagement increases	Surveys of parental attitudes

## 5. Planned expenditure

**Academic year**

**2020-2021**

The three headings below enable schools to demonstrate how they are using the Catch Up funding to catch up on lost learning or all, provide targeted support and support whole school strategies.
